Connecting with our Principal

I just wanted to thank all of you for taking the time on Wednesday and meeting with your child's classroom teacher to engage with them about your child's progress. We value our partnership with each and every one of you.

It has been such a joy to see how excited the students have been about Dance Club and Junior Eagles basketball. I would love to continue to expand our offerings of after school clubs to our students. If you would be interested in leading a club for our students, please let me know.

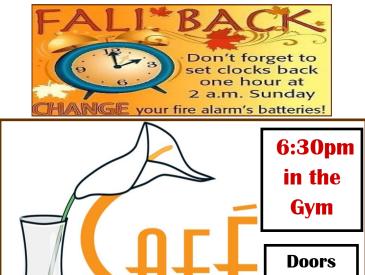

Below are the MAP median composite scores from the fall MAP tests. We look forward to the growth our students will make during the 2023-2024 school year.

Math	Reading	Language Usage	Science
57th Percentile	65th Percentile	67th Percentile	61st Percentile

Please continue to lift Mrs. Gahgan up in prayer as she is still recovering!
