What's Up Mr. Green?

- There is **NO SCHOOL on Monday** as we observe **Martin Luther King Day**. As MLK Day has become a day of service to others, perhaps you and your family will have the opportunity to do a service project together.
- St. John's will be hosting the **XXVI Eagle Tournament** beginning January 24th and continuing through January 26th. It takes many volunteers to make this a successful event. Please sign up to help if you have not already done so. It is a great opportunity to show the other Lutheran Schools the great families we have here at St. John's.
- **Lutheran Schools Week** begins on Sunday January 26th. **St. John's students will be singing at the 8:00 am service.** Please plan on attending. This is one way to show our appreciation to the members of St. John's Lutheran Church for their continued support of our school.
- Did you know that the cost of educating a student at St. John's is \$6,115? Subtract that with the average per student tuition income of \$4,208 and the result is a \$1,907 per student congregational subsidy that St. John's Lutheran Church currently provides. That means that St. John's Lutheran Church will be providing \$274,608 of financial support for the school during this school year.
- The **Re-Registration Reception** on Monday, February 10th kicks off enrollment for the 2020-2021 school year. Details of the event will follow in next week's bulletin. Last year's event was a great success. Please plan on attending and taking advantage of a discounted enrollment fee as well as opportunities to earn prizes.
