What's Up Mr. Green?

In an effort to save on paper costs, St. John's communicates electronically via the school newsletter, classroom newsletter, FastDirect and the website. Please be sure to **read these communications when they are sent to you.**

School closings are announced via the **Emergency Closing Center** which then distributes the information to local radio and television stations. Closings will also be communicated via FastDirect.

The third quarter mid-term is next Friday. Mid-terms will be released to families who are current on tuition and fees payments Friday, February 28.

20/21 Re-Registration Reception

Monday's **Re-Registration Dinner** was a success. It was great to see so many families in attendance and taking advantage of the reduced registration fee. A **special thank you** to Candy Lawler for preparing the meal and the 8th grade students for providing child care. I am also thankful to all who helped clean up after the event. The following families were the lucky winners of the giveaways.
