Today marks midterm for the 3rd Quarter. Grades will shut down on Fast Direct until next Friday, February 23 when midterm reports will be released. In the meantime, you may reach out to your child's classroom teacher to review any academic concerns you may currently have.

We will not have school Monday, February 19 in recognition of President's Day! Enjoy the three day weekend with your family.

Next Friday, our 8th Grade Class will be hosting their annual **Fun Fair**. The gym will be open for games, prizes, food and raffles immediately after school until 6:00 pm. Please join us for fun and fellowship as the 8th Grade class raises money for their class trip and graduation celebration. This event is open to the public, so please feel free to invite your family and friends. Note: **This is a cash only event**.

During the Fun Fair, we will also be hosting a new family Open House. It will be a great opportunity for new families to see our St. John's community in action. We will be opening enrollment for new families who are eager to join our school, so please **do not delay in completing your re-enrollment for next school year!**
