Connecting with our Principal

It is with great JOY that I announce to you that St. John's earned the **Christian Principles & Spiritual Formation Badge** from CLEF (Chicagoland Lutheran Educational Foundation) Medallion School of Distinction Program. In their final report, CLEF stated,

"They communicated very clearly the Christian culture and climate which permeates St. John's school. We believe that St. John's is an exemplary Christian school, preparing young people to be successful for high school and life."

On **Thursday, March 7 at 6:00 pm** **ALL** of our school families are invited and highly encouraged to attend a Zoom meeting about **Cyber Safety**. It will be a great opportunity to learn about internet use with your children and ask questions with a CyberInternet Specialist. If you cannot attend the Zoom meeting on March 7, there will be another presentation on Thursday, March 21. We are blessed to receive this special presentation because of our partnership with CLEF and our 5th & 6th Grade students participating in a Student Awareness program.
