What's Up Mr. Green?

- It is extremely important that you gain access to our Fast Direct communication system.** All announcements are shared through this system. If you do not know how to access the system ask your child's teacher or the school office. Only half of St. John's families have opened up the emails I sent last weekend regarding the coronavirus situation at Vaughn Occupational High School.
- Out of an abundance of caution, St. John's will be closed beginning Monday and extending until at least March 30. This is strictly a precautionary matter. NO ONE FROM THE ST. JOHN'S FAMILY HAS TESTED POSITIVE FOR THE CORONA VIRUS.** Alternative learning/e-learning will begin on Wednesday March 18. Your child's teacher will be providing you with details of what is to be accomplished. For children not in school today, you will be allowed to pick up needed materials text books/chromebooks etc. on Wednesday from 9:00 - 11:00 am.

Once school resumes, you can do your part to help keep St. John's students and staff healthy. The following recommendations are being shared through governmental health institutions.

- DO NOT SEND YOUR CHILD TO SCHOOL IF HE/SHE IS SICK!** Students must be fever free for 24 hours prior to returning to school. Students should be free from flu like symptoms (vomiting, diarrhea, etc.) and excessive coughing and/or sneezing for 24 hours prior to returning to school. St. John's reserves the right to send students home if they are ill.
 - Regular handwashing is essential in protection from viruses. Use soap and water. Handwashing posters have been placed throughout the school. Hand sanitizer may also be used.
 - Cover coughs and sneezes and wash hands after coughing and sneezing.
 - Do not share drinks.
- As everywhere else, St. John's is running low on disinfectant wipes. If you would be able to provide disinfectant wipes (Clorox, Lysol, etc.), or you would have some time to come to school and wipe down railings and other high touch surfaces, please contact me. The cleaning company will thoroughly clean and disinfect the school while it is not in session.
