

Parent Bulletin

Our Principal Says:

- When you receive this newsletter, there will be eighteen and a half school days left. I am so proud of and thankful for all St. John's parents with how everyone assisted with keeping students, faculty and staff safe by following the Covid-19 protocols and mitigations. I will continue to follow CDC, CDPH, and IDPH guidance for the remainder of this year as well as how St. John's School can safely operate next year. I will once again offer the grade level *Back to School* meetings in August to keep you informed of all things Covid as well as other important information.

18 1/2 Days

- Enrollment for the 2021-2022 school year is strong. There are currently 110 students fully enrolled and 39 students in the pending category. Some classes are beginning to fill up. Please complete your enrollment if you have not done so. Waiting to complete enrollment may put you at risk of being locked out if the class reaches its maximum limit.
- PTL recently purchased and installed additional rubber mulch for the playground. Thank you PTL and the volunteers that spread the mulch. Thank you parents for your support of the PTL auction that allowed the purchase of the mulch. Thank you PTL for all the gifts you have given during *Teacher Appreciation Week*.
- Lastly, this past week was *Teacher Appreciation Week*. St. John's is blessed with an excellent Christian teaching staff. I am thankful for their professionalism, dedication, Christian witness, and the love they show your children on a daily basis. Thank you to all who have expressed their gratitude to this amazing group of educators.

Thank You
