Week #2

Parent Bulletin

Our Principal Says:

- We have come to the end of week two! The students and staff continue to follow the health protocols for a safe return to school. Disinfecting and sanitizing continue during the school day and at night. I want to thank parents *Mr. Hoyos* and *Mrs. Pancorvo* who are assisting with the morning temperature checks. Ex Care Director *Mrs. Leith* conducts the temperature checks for those students using Ex Care.
- Labor Day weekend marks the end of summer. I encourage all to stay safe and follow the health and safety protocols. Be aware of the states on the Chicago Department of Public Health's quarantine list. If you are visiting any of those states you will need to quarantine 14 days before your child can return to school.
- The Smoke-Free Illinois Act prohibits smoking in public spaces and within 15 feet of entry to public buildings and schools. Please assist in keeping our students safe by **not smoking** while you are waiting outside your car at dismissal. Additionally, please wear a face mask when you are waiting for the children at dismissal.
- There is still room for students in Pre-School, Pre-Kindergarten, 2nd 3rd, 4th, 6th, 7th, and 8th grades. We need eight new students to reach our budget number. Please refer families to St. John's! You receive a \$250 tuition credit for full time student referrals!
- Have a blessed and safe weekend!
