

Parent Bulletin

Our Principal Says:

As we head into the last week of the school year, I want to THANK YOU all again for your willingness to follow the Covid-19 protocols and mitigations. We were blessed at St. John's that our precautions, protocols and mitigations allowed us to continue in-person instruction for the year with the exception of the planned remote learning during the Thanksgiving and Christmas holidays. Even this past week, at least two Lutheran schools in the Northern Illinois District had to suspend operations due to coronavirus infections at the school. I pray nightly that God would continue to watch over and protect St. John's students, staff and families and that we will make it to the end of next week without interruption.

The **2020-2021 school year will end on Friday, June 4**. An all school in-person chapel will be held at 9:30am. Students and faculty will be masked and we will follow a modified social distancing protocol. Eighth grade graduation will take place also on June 4 at 5:00 pm in the church followed by a light dinner honoring the graduates in the gym.

If you intend to apply for financial aid for the 2021-2022 school year, please complete the application as soon as possible. The committee will meet in mid to late June to award financial aid. **As an FYI, aid will be applied to accounts once a thank you letter is received in the school office to the appropriate granting source.**

I pray that you have a safe, enjoyable and blessed Memorial Day weekend!

Calendar:
