Principal Green News

Spring Break begins on Friday, April 7 and classes will resume on Monday April 17. I pray that you have a safe and restful break and a *Blessed and Happy Easter*. When we return from Spring Break, there will only be six weeks of school left. I have reviewed grades on FastDirect and there are some students who are missing a lot of assignments. Spring Break would be a great time to get these assignments completed so that they can be turned in upon returning from break.

Enrollment Update – There are currently 119 students enrolled with another 18 pending for the 2023-2024 school year. Kindergarten is full and Pre-Kindergarten has room for only 5 more students. Please continue to tell other families about St. John's. The enrollment goal for 2023 – 2024 is 145 students.

All are Welcome! Please join us.
