Connecting with our Principal

Today marks the end of the 1st Quarter! If you have not already done so, please be sure to sign up for Parent Teacher Conferences via the SignUpGenius link that your child's teacher sent out on Monday.

It is with joy that I announce to you that Ms. Pamela Sawusch is our new 7th Grade Homeroom/HSP math teacher. Ms. Sawusch comes to us with over 12 years of teaching experience. She has a degree in secondary education from Concordia Nebraska with endorsements in math and business. Please welcome Ms. Sawusch to our St. John's family!

We ask that you continue to lift up Mrs. Gahgan in your prayers as she continues to recover from a severe infection. Giving thanks and praise that she is now at home.

Connecting with BOCE

Throughout the year, we hope to give you some more insight on the Board of Christian Education. Today's spotlight is meant to give you an idea of the purpose of the board. The BoCE is the policy making board (in consultation with the Principal and Pastor) that governs the operation of St. John's Lutheran School.
