

St. John's Lutheran School

before & after care

Dear Parents,

St. John's offers before and after school care for all students enrolled at St. John's, from Pre-School through 8th grade. Eagle's Nest is a loving and safe environment where kids can let out some steam after a full day of school. We emphasize physical activity through outdoor play, homework time to ensure that priorities are met, and provide students with a light snack. Time is also spent in the computer lab to finish homework or just play school-approved games on our child secured-computers.

Children participating in after school programs or sports are dropped off at Eagle's Nest by the program leader upon completion of their program. Our *No Reservations Needed* policy serves as a backup to parents should they have an emergency, or are just running a bit late for pick up. You choose the days.

Eagle's Nest runs from 6:45am until 8:15am (breakfast provided until 8:00am) and again from 3:15pm until 6:00pm (light snack provided).

There will be a sign-in sheet that all parents are required to sign during every morning block at drop off. You must escort your child into the building and sign him/her in before school. Likewise, you must sign your child out at the end of the school day. If you forget to sign your child out at the end of the day, you will be charged until 6:00pm.

For the safety and security of all children, written permission must be granted from the parent before the child is allowed to go home with anyone else. Anyone unfamiliar to the staff will have to show proof of identification. The child will not be permitted to leave if proof is not provided.

We look forward to serving you and your family. Any questions regarding the Extended Care Program may be directed toward the school office 773-736-1196.

In Christ,

Trisha Leith
Directors of Extended Care
